

Volunteer Application Form

Helping horses heal, rebuild trust, and find their next chapter.

Why We Ask These Questions:

At Hawkez Haven, the horses in our care have come from a wide range of backgrounds. Many are rebuilding trust, confidence, and understanding after difficult experiences.

The questions in this form help us make sure that:

volunteers are placed in roles that suit their experience and comfort level horses are handled calmly, safely, and respectfully everyone has a positive and rewarding experience.

There are no right or wrong answers, only honest ones.

Our aim is always to create the right match between people and horses, so both can feel safe, supported, and relaxed.

Please note: completing this form does not guarantee a volunteer placement, as suitability is based on the needs of the horses and current capacity.
